# Safety Data Sheet

**Creation date 22/8/2024**

| | |
|---|---|
| Protection of fire fighters | Self contained breathing apparatus |

## 6. Accidental release materials

| | |
|---|---|
| Personal protection | Not applicable under normal conditions of use |
| Environmental protection | This product does not present any particular risk to the environment |
| Methods of cleaning up | Not applicable under normal conditions of use |

## 7. Handling and storage

| | |
|---|---|
| Handling | Does not require any specific handling procedure |
| Storage | Does not require any specific technical measures. For longevity of product it is recommended that it is stored in closed cartons away from direct sources of heat and light. |

## 8. Exposure control/personal protection

| | |
|---|---|
| Technical measures | Does not require any particular measures provided it is in accordance with good hygiene and safety practise. |
| Personal protection | Not specifically applicable |

## 9. Physical and chemical properties

| | |
|---|---|
| Appearance | |
| - Physical state | Solid |
| - Form | Solid coloured film |
| - Colour | Release liner is white, upper surface is a wide variety of colours. |
| Odour | Faint |
| PH | Not Applicable |
| Boiling point | Not Applicable |
| Flash point | Not Applicable |
| Flammability | Not Applicable |
| Explosive properties | Not Applicable |
| Oxidising properties | Not Applicable |
| Vapour pressure | Not Applicable |
| Relative density | 1.0 |
| Solubility | |
| - Water | Not soluble |
| - Organic solvent | Adhesive is partially soluble in common solvent |

## 10. Stability and reactivity

| | |
|---|---|
| Conditions to avoid | This product is stable at room temperature and in normal handling conditions |
| Hazardous decomposition Products | On combustion of thermal decomposition toxic gases may be released as oxides of carbon (CO & $CO^2$) |

## 11. Toxicological Information

| | |
|---|---|
| Local effects | Not applicable given the products physical state |
| Information general | Based on our experience and according to our knowledge of this product does not have any toxic effect under normal handling procedures. |

## 12. Ecological information

| | |
|---|---|
| Persistence/Degradability | This product persists in the soil |
| Destination of the product | As a very small percentage of a finished product this cannot be determined. Unused product is typically land filled/incinerated where appropriate. |
| Possible impact/effect | Not dispersible. This product should not pose any specific problem to the environment |

## 13. Disposal considerations

| | |
|---|---|
| Waste from residues | Recycle the product wherever possible. For non-recycled product dispose of in accordance with local regulations. It can be disposed of as a non hazardous industrial waste, or, incinerated at a licensed site |
| Waste from packaging | Under normal usage/storage conditions contamination of packaging is not applicable. Depending on local possibilities either recycle, reuse or incinerate the cardboard and plastic packaging |

NOTE: The user's attention is drawn to the possible existence of local regulations concerning disposal

## 14. Transport information

To the best of our knowledge at the time of creation of this document the product is not subject to any national/international regulations for transport by rail/sea/air.
